

The graph shows the performance of 'Ours' across different values of a parameter. The x-axis ranges from 0 to 7, and the y-axis shows performance levels. The 'Ours' series (blue line with dots) starts at a medium level at x=0, dips slightly at x=1, rises to a peak at x=3, dips again at x=4, and then rises to its highest point at x=7. A box highlights the peak at x=3.
